**Subject: Announcement – New Seed Cotton Prices**

Dear partners,

The Pricing Unit is glad to announce the new seed cotton prices that the Standards Committee decided on during their 117<sup>th</sup> meeting. For details on the decision please refer to the minutes of the Standards Committee meeting, that will be available on our website [here](#).

The new Fairtrade Minimum Prices and Premium are presented in the table below and will be valid from September 15<sup>th</sup> 2025.

The Fairtrade Premium is paid in addition to the price, whether it is the market price (which applies if it is higher than the Fairtrade Minimum Price), the negotiated price (negotiated to be higher than the Fairtrade Minimum Price) or the Fairtrade Minimum Price. The Fairtrade Minimum Prices and Premium are also available in the Fairtrade Minimum Price and Premium Database on our website [here](#).

For more information, please contact Standards & Pricing at [standards-pricing@fairtrade.net](mailto:standards-pricing@fairtrade.net).

Best regards,

Andreas Kratz
